Andreas van der Gugten, Application Specialist, ISO Limited

**New members** Moira Moroney  
Blair Culph  
Mike Spiers

This morning's breakfast was kindly sponsored by Liam Dickson, ISO Limited.

### **Membership upgrades**

The post nominal letters of CMILT (Chartered Member) and FCILT (Chartered Fellow) are internationally recognised as indicating that the holder has reached a high standard of experience and knowledge within the logistics profession.

Individual members are encouraged to apply to have their current grade reviewed. Re-grading forms are available on line from the CILT NZ web site, and Dave Stewart has re-grading forms at our section meetings.

This morning Greg Bold presented Kylie van Heerden with the membership grade of Chartered Member.

### **Section News**

The Waikato – BOP Section Committee are meeting on Friday 25<sup>th</sup> October. If you would like to suggest a speaker or topic, please contact the Chairman or one of your committee.

## **National News**

**At the CILT AGM** held at the Crown Plaza on Thursday October 17<sup>th</sup>, Roy Weaver handed the chains of office over to our new President Chinthaka Abeywickrama. The new Vice President is Glen-Marie Burns.

**The Awards evening** was again a first class event; our section had 45 people in attendance and it was great to see so many of our members and their customers present. A full list of results will be on the CILT website shortly.

Our section members did extremely well:

**C3 Limited** won the Industry Award for Supply Chain Innovation. This is the second year in a row that C3 have won this category.

**ISO Limited and Sam Stanley** won the Industry Award for Safety, Security and Environmental Innovation. ISO also won this award in 2011.

**Dr Jean-Paul Thull's** student Mark Williamson won the Ministry of Transport merit certificate and \$1000.

**Graeme Marshall, Port of Tauranga**, won the premier award of the evening, The Sir Bob Owens Award for Outstanding Contribution to the Logistics, Supply Chain Sector & Community. Graeme received a standing ovation from the audience, and we as a section are delighted that the Institute has formally recognised the massive contribution that Graeme has made not only to our industry, but to the community as well.
