CILT International Conference 20 – 22 June 2021

Hyatt Regency Perth, Western Australia

Logistics and Supply Chain representatives from 35 nations will descend on Perth in June 2021. This convention and conference is one not to be missed with international and domestic delegates expected to top 350 attendees.

About this event

Australia has the pleasure of hosting this global event on behalf of CILT International and we invite all members and industry professionals to support this convention.

Delegates will have the opportunity to hear from both global Industry and National representatives as they present recent global developments in innovation and Supply Chain technologies that are impacting the Transport, Logistics and Supply Chain industries.

Exhibitors from varying countries will present and showcase some of their state of the art technologies. Delegates will have the opportunity to visit industry sites of some significant players and observe some of the automation now being piloted in Western Australia.

This is a once in a decade event for industry, planners, supply chain IT developers and innovators, to meet international and domestic experts. Delegates attending this event will be from both industry and governments from around the world as well as Australia.
