and Transport

## Transport Research and Educational Trust Awards

The CILT's Transport Research and Educational Trust (TRET) is calling for applications for a research grant of up to \$15,000 (or two smaller grants).

The Trust aims are to promote, encourage and coordinate the study and advancement of the science of transport within New Zealand. Provided these aims are met, and the grants are within the educational and charitable purpose of the Trust, there is no limit on the nature of the research project, or the industry branch or discipline the applicant is involved with.

As transport touches on many aspects of New Zealand society and economy, the Trustees encourage applications from all disciplines and individuals with an interest in transport.

Applications are now open and will close on **Monday, 30 January 2023**.

The application form is available at: <https://cilt.co.nz/transport-research-and-educational-trust/>

The Trustees are Glen-Marie Burns (Chair), Murray King, Tony Gollin, Jon Kelly, Jon Butler, Philip King, and Cormac McBride.
